THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

1-17-77

Dear Russell:

Angie and I were honored by your and Thayer's hospitality at the great Broadmoor last week. I know of no tourist facility anywhere in the world to rival its joys.

Intelligence activities and Colorado are not a standard combination, but I do hope the future brings me to your midst with more frequency.

I look forward to seeing you on the 29th.

All the best.

(Russell Tutt, Colorado)
